Father Christmas at Danum Gallery, Library and Museum

Oh no! Father Christmas' compass has malfunctioned - the coordinates are out, and his sleigh has landed at DGLAM instead of the Mansion House this year. Father Christmas needs the children of Doncaster to save Christmas by helping him, Mrs Claus and the cheeky elves fix his magical compass.

Can you help "save Christmas" or will the presents all be delivered to the wrong addresses!?

16th - 19th December 2026

(3 sessions – 4pm , 5pm and 6pm)

Plus more times on Saturday, and quiet sessions available for children with sensory requirements.

Advanced booking required. Find ticket information at:
