Welcome...

...to our 2020 Visitor Guide for Doncaster. 2020 is a year of transformation which will see the starting point for a spotlight on Doncaster hosting the very best culture and arts! A particular highlight on the calendar includes the 400th anniversary of the historic journey of the Mayflower, signifying Doncaster’s important connection to the Pilgrim Fathers.

2020 will also see the completion of some major projects including the new Doncaster Central Library and Museum along with the Civic and Cultural Quarter six screen cinema and restaurant complex.

Whether you are a local or a visitor, we can guarantee THIS GUIDE WILL UNLOCK A WORLD OF ADVENTURES that you might not know existed in Doncaster!

This guide is bursting with useful information to help you make the most of your time in Doncaster whether you are staying for a few hours, a day or two, or perhaps an extended stay.

Whether you want to experience our rich history and culture, a quality family day out, Doncaster’s extensive international cuisine or maybe you want to get in touch with nature and explore our green spaces, whatever it maybe, this guide has it all.

We also have our Visit Doncaster website where you can keep up to date with all the latest events happening across the borough: visitdoncaster.com

Doncaster has a lot to be proud of and it is all waiting for you!

We look forward to welcoming you soon...

Ros Jones
Mayor of Doncaster
“I’ve always enjoyed visiting Doncaster. It’s a town I’ve visited regularly for over 30 years and one of the defining landmark structures in Doncaster is the Minster Church Of St George.

//Neil, Liverpool
Experience first-hand, the history that surrounds you in Doncaster

The historical market town is situated at the southern edge of Yorkshire and has a history that dates back to 71AD when it was founded by the Romans. Traces of Doncaster’s rich history can still be seen in and around the town today.

Doncaster is home to one of only three original Georgian MANSION HOUSES in the country. There are plenty of opportunities throughout the year for you to bask in the splendour of decadent Georgian architecture and learn more about its history from a team of well-versed experts.

Doncaster is also home to the St Leger, the World’s oldest classic horse race which runs annually in September at DONCASTER RACECOURSE.

You will find a number of beautiful stately homes and gardens such as BRODSWORTH HALL, which will be celebrating its 25th year anniversary in 2020 following Princess Margaret’s opening of the building to the public in 1995, and the picturesque CUSWORTH HALL.

We also have DONCASTER MINSTER, one of Doncaster’s most recognisable and architecturally impressive buildings. In addition to this, the Normans built fine castles, two of which survive in Doncaster - CONISBROUGH CASTLE and TICKHILL CASTLE.

During the industrial revolution, the railway came to Doncaster as did the mining industry, both of which have become firmly embedded in Doncaster’s history and have contributed greatly in shaping Doncaster’s future.

DONCASTER MARKET is one of many attractions that Doncaster has become well known for. The market, which dates back over 2000 years, has a number of highlights including the CORN EXCHANGE which is a fine market hall built in the heart of the market area.

The WOOL MARKET has recently undergone a major redevelopment. During the redevelopment, builders discovered a medieval well. A feature has been made of the well to allow visitors to not only see the well but to stand directly above it on the glass cover. As well as this fascinating feature, the Wool Market boasts a wide selection of international street food and drink vendors as well as a number of retail stalls where you can buy unique gifts, arts and crafts.

As of the summer of 2020, you will be able to discover even more about Doncaster’s history in our brand new state of the art central library and museum located in the Civic and Cultural Quarter. The new museum will become a cultural and learning hub that will inspire creativity and innovation.

Something else that the town looks forward to welcoming in 2020 is a new mining statue, which will take pride of place in Doncaster town centre. The iconic piece of public art unifies our mining communities and celebrates our mining heritage.
In 2020 Doncaster will commemorate the 400th anniversary of the historic journey of the Mayflower to America. Austerfield, Doncaster, was the home of William Bradford who was baptised in St Helena’s Church and later became Plymouth colony’s first elected Governor.

The FRENCHGATE CENTRE is one of the region’s most popular retail destinations conveniently located within the train and bus station transport interchange making it easily accessible via public transport. The shopping centre is home to over 120 stores which includes big retailers that we all know and love and a wide range of unique and quirky boutiques. After a busy day of shopping, you can stop off for some food at the food court or one of the many restaurants and cafes dotted around the centre.

Soon you will have even more choice of places to eat when the new Civic and Cultural Quarter cinema and restaurants open, offering you more options for a great day out in town.

Doncaster has plenty to offer those who love to shop, eat and be entertained.

We have indoor shopping centres, out of town retail parks and outlets, great independent stores and some of the best international eateries around.
If you want to bag a bargain then put LAKESIDE VILLAGE on your shopping list. With 45 stores including high street favourites Next Outlet and M&S Outlet, ample free parking and Changing Places toilets, it is safe to say that Lakeside Village provides a welcoming and contemporary shopping environment for all to enjoy.

Head over to WHEATLEY CENTRE SHOPPING PARK and you will find some of the country’s most loved stores including TKMaxx, Matalan, JD Sports and much more.

If you are after a more traditional shopping experience, then make sure you visit DONCASTER MARKETS. You will find plenty of shops and stalls selling fresh produce, quality meat and seafood.

You can also venture further out of the town centre and experience MEXBOROUGH MARKET which is one of the oldest in the borough. The market has over 90 stalls offering a range of fresh produce, clothing and more.
Doncaster’s abundance of international eateries make for a mouth-watering experience and of course great memories. Here is a small selection of some of Doncaster’s top rated restaurants, cafes and bars as chosen by customers on TripAdvisor.

Experience Live Music
If live music is your thing, then Doncaster is the place for you.

We have a thriving music scene in the town all year round, made up largely of local artists. You’ll regularly find musicians in many of the bars and pubs across town.

THE QUEEN CRAFTHOUSE, THE WOOLPACK, THE LEOPARD, HALLCROSS, THE HORSE AND GROOM, to name just a few, host weekly live music sessions as well as occasional larger events.

The WOOL MARKET has a music stage to complement the array of food and drink outlets that are mingled in and amongst a retail market.

On a grander scale the town is host to its own music festival DN ONE LIVE. The main festival lands annually in early September, but look out for DN One Live venues across town who all display their window stickers to advertise to customers that they are a proud live music venue and part of the DN One Live offer year round. Look out for the monthly gig guide too, this is available in print and online and once again features all the DN One Live venues and their monthly roster so you can plan your nights out well in advance to take in the great music available, much of which is free.

If you’re looking for places earlier in the evening to combine dining, meeting friends or that after work drink then look no further than the newly revamped HALLGATE. This redeveloped area has created a café culture feel with names such as THE SLUG AND LETTUCE, CACTUS JACK’S, YATES and O’DONEGANS amongst others that now spill out onto wider pavement areas with their outside seating for the warmer months and great menus of food, drink and cocktails.

As evening gives way to the later hours the town continues to cater for all tastes with themed venues like German inspired FRANK & STEIN to speciality bars like THE RUM ROOMS, VINTAGE BAR, THE SALUTATION pub, DONCASTER BREWERY AND TAP, providing quality live music and entertainment.
If you decide to treat yourself or your family to an overnight stay in Doncaster, rest assured that there will be something to suit your taste and budget.

We have put together a selection of some of the best places to stay in Doncaster to make choosing a little easier.

We have also included a key so that you can ensure that the accommodation you choose caters to your specific needs.

Whatever you end up going for, one thing is for sure – you will receive a very warm Yorkshire welcome.

Advance booking is recommended particularly during peak periods such as the races or town centre events as our hotels get filled up pretty fast.

For those visual art lovers amongst you, Doncaster hosts a quarterly ART FAIR in the heart of Doncaster Market where you can browse and buy art from a range of emerging and established regional, national and international artists. Upcoming dates include 5th April (Spring) and 5th July (Summer). See our website at: visitdoncaster.com for the announcement of Autumn and Winter dates.

Doncaster is home to some of the most talented award winning artists including ANDREW FARMER AROI and CHINWE RUSSELL who, as well as being an outstanding artist, also works hard to make art more inclusive and accessible in Doncaster.

Time your trip right and you could witness the summer arts and culture spectacular, DONCOPOLITAN CULTURE CRAWL, an annual event that celebrates art and culture in Doncaster. POETRY
Another event that we would suggest for anyone interested in exploring Doncaster’s arts and culture scene is the TED HUGHES POETRY FESTIVAL in MEXBOROUGH. It is the liveliest poetry festival in the UK. It arises from the community, embraces the community, and takes them to other worlds.

THEATRE
If you are looking for an alternative night out, CAST theatre can provide you with just that. Located in the Civic and Cultural Quarter, you can watch award-winning performances in the modern and very comfortable purpose built multi-space theatre with relaxed bar area ideal for pre-performance socialising and refreshments.

Cast isn’t Doncaster’s only theatre however, we also have the brilliant DONCASTER LITTLE THEATRE in the heart of the town centre. This theatre is a small community focussed theatre run largely through volunteers. As well as producing 12 of their own theatrical performances annually, they also open the theatre up to local bands, comedians and other entertainers which ensures plenty of variety for you.

Sport in Doncaster just keeps growing.

THE ST LEGER is the world’s oldest classic horserace and the only classic held in Yorkshire.
In May 2019, we hosted the Tour de Yorkshire and the prestigious UCI World Championships in September - two of the biggest events in the international cycling calendar!

We are very excited for what is to come in 2020 and beyond...

FOOTBALL
Doncaster is home to some top sports teams including DONCASTER ROVERS who are based at the Keepmoat Stadium. The team who were founded back in 1879 play in League One and are one of four clubs to win the Division 3/League Two title three times.

We also love Rugby League here in Doncaster and the Keepmoat Stadium is also home to Doncaster Rugby League Football Club, more popularly known as the Dons. As we are on the topic of Rugby League, it was announced in 2019 that Doncaster would host three group stage matches of the Rugby League World Cup in 2021 and we couldn’t be prouder!
