Day One

Yorkshire Wildlife Park

Start the day amongst nearly 400 animals from 70 different species including the only polar bears in England, majestic lions, tigers and even a black rhino. The 100-acre nature reserve is conveniently separated by walk through adventure areas such as Lemur Woods, Wallaby Walkabout, South America Viva, Leopard Heights and Into Africa. Enjoy a morning cuppa at Mesai Coffee House where you'll have a perfect view of the giraffes and maybe even hear the leopards waking up in the neighbouring enclosure.

Mount Pleasant Hotel

End your day with a luxury stay at this ideally located hotel with quick access to the town centre and the Yorkshire Wildlife Park. Enjoy being pampered in the spa before sitting down to a meal at the Brasserie Artisan. If you want a little more privacy book into one of their self-catering cottages surrounded by 100 acres of beautiful woodland.

Wool Market

This new diverse market space offers the best street food around from pizzas and tapas to cupcakes and rolled ice-cream. If the family have different ideas on lunch there's no need to worry, a large communal eating area means you can all sit together and soak up the market atmosphere while eating different foods from the various eateries. You can also pick up some unique gifts from a range of retailers. While you are in the town centre, don't forget to check out the other local independent shops around town and also the Frenchgate Shopping Centre where you will find all the big high street stores.

Lakeside Village

If you want to bag a bargain then Lakeside Village is a must! With lots of stores including high street favourites Next Outlet and M&S Outlet, ample free parking and Changing Places toilets, it is safe to say that Lakeside Village provides a welcoming and contemporary shopping environment for all to enjoy.

Day Two

A day out with the animals

For those of you with younger children to keep entertained Boston Park Farm is a guaranteed hit. Children can get up close with a range of farm animals and even pet and feed them. Throughout July to October, you can also have hours of fun in the maize maze. Can you find your way out?

Cool down with some locally made farm ice cream

For the summer months, a trip to Sunnybank Gardens comes highly recommended. Walk around the beautiful gardens, have a family crazy golf competition and then cool down with delicious locally made farm ice cream.

Walk on the wild side

Thorne and Hatfield Moors forms part of the Humberhead Peatlands which represents the largest area of raised bog wilderness in lowland Britain at 2,887 hectares in size. The sites are internationally important, both as an example of a lowland raised mire and for its breeding nightjars. Visitors can explore one of the varied nature-brimming way-marked routes highlighting the stunning scenery.

Green Doncaster

Doncaster's varied landscape supports some of the richest and rarest habitats in Britain, providing something for everyone to enjoy.

Local communities and visitors alike, can benefit from excellent access to the countryside, as well as some great parks and open spaces. It is home to several nature reserves and plenty of beautiful parks, green spaces and historic gardens that can be enjoyed all year round including Thorpe Marsh, Denaby Ings, Sandall Beat Wood and Sandall Park.

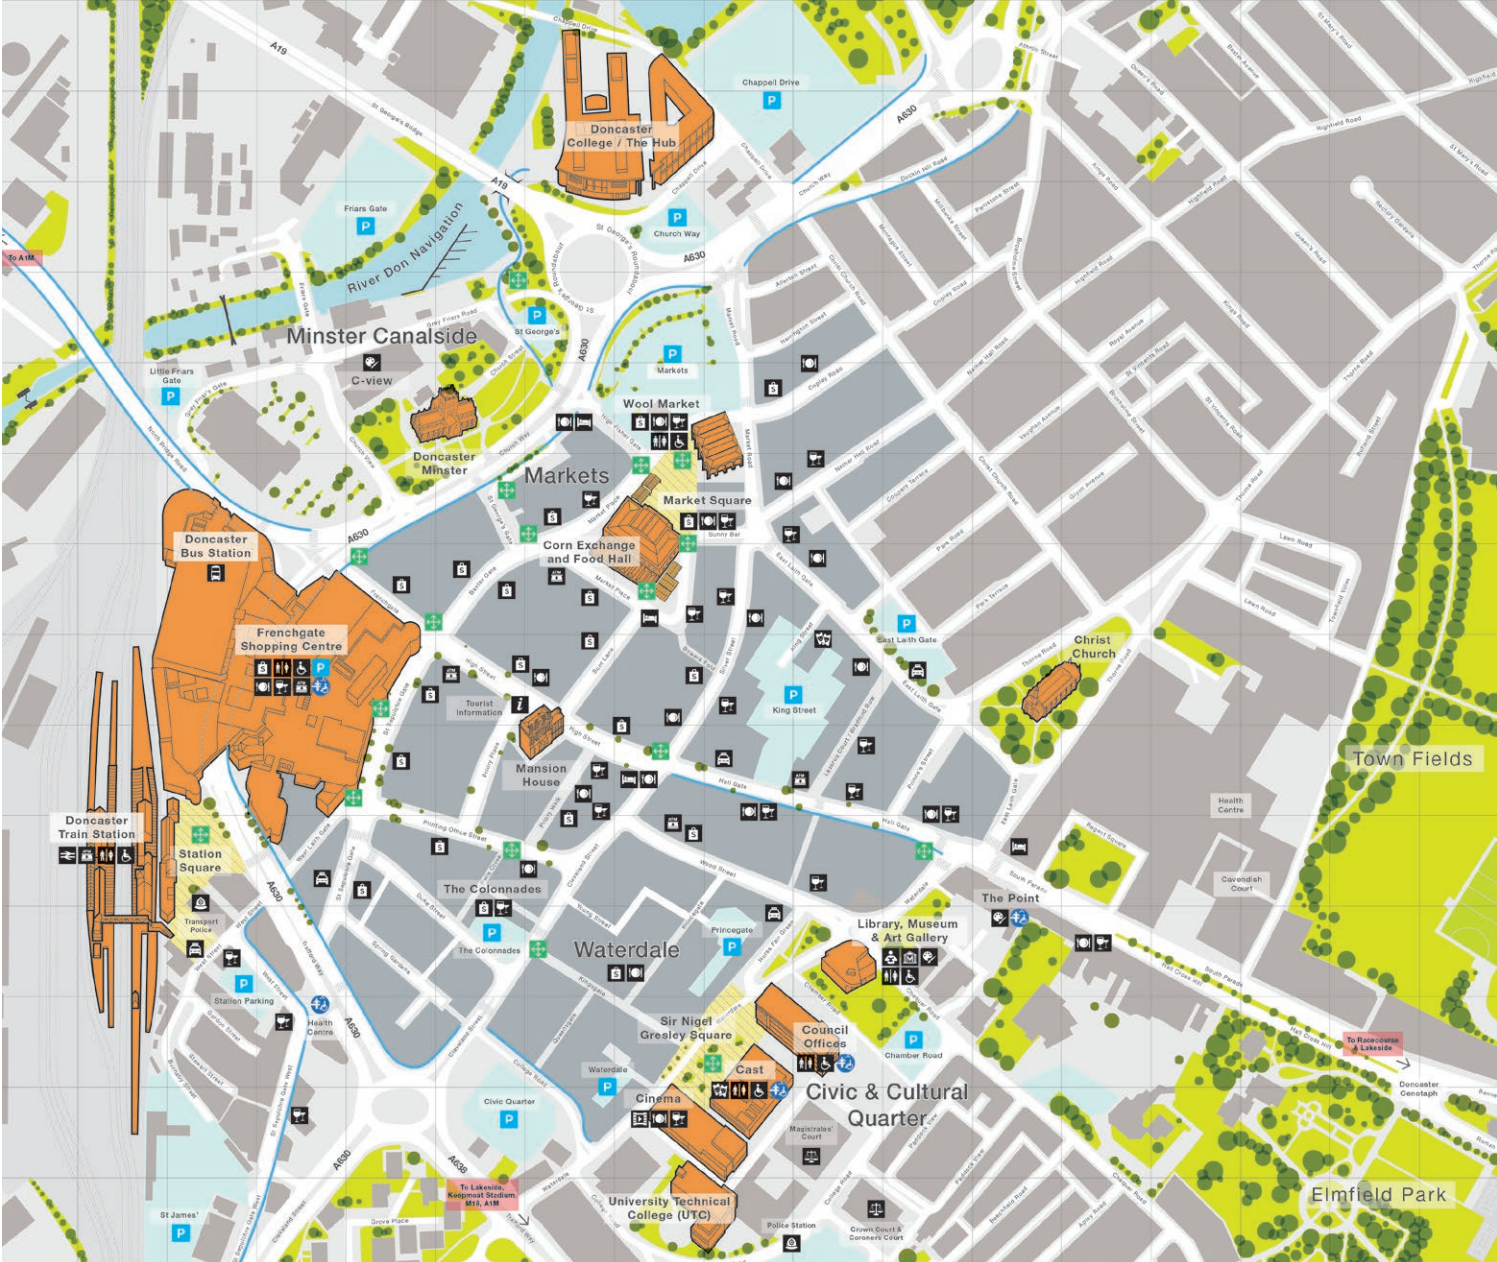

Sandall Park is a
Green Flag Award winner
(one of four in the area)
and also holds a TripAdvisor
Certificate of Excellence.

Brodsworth Hall and Gardens

One of Doncaster's many hidden gems, Brodsworth Hall offers a fascinating and unique journey through time.

Catch a glimpse of Victorian life at this 'conserved as found' country estate. Brodsworth Hall was built and the pleasure gardens laid out in the 1860s as an up-to-date new home for the Thellusson family and their servants. It is the perfect day out for all the family with stunning garden views and lots of beautiful photo opportunities. Please note pre-booking is necessary.
